The South Houston Citizen's Police Academy is an intensive twelve-week course. Classes are scheduled one night a week for twelve weeks. Each class lasts two hours. The purpose of the academy is to provide the participants with information so that they will understand the operation of the South Houston Police Department. Our mission is to provide "Understand Through Participation". If you are selected to participate in the South Houston Citizen Police Academy you will be expected to make the following commitments:

- Perfect attendance is a must! In order to receive the full benefit of the program you must be willing to attend all classes for twelve consecutive weeks. Up to two absences may be excused; If you miss more than two classes you will not be permitted to graduate with your class. You may, however, be allowed to make up the class you missed with the next academy and graduate with that class
- Class members are not permitted to select a substitute if he/she is unable to attend any or all classes. Alternates have been selected to take your place if you find you are unable to attend the academy after being selected.
- After graduation you will be invited to join the South Houston Citizen's Police Academy Alumni Association. The Alumni Association works with the South Houston Police Department to provide assistance with special projects, functions as a liaison between the Police Department and the community, and helps raise funds for special needs of the department. The Alumni Association is a non-political, tax-exempt educational organization.

If you are willing to make a commitment and become an involved citizen, we encourage you to accept this invitation to apply to attend the South Houston Citizen's Police Academy. Please sign both the application and the commitment and return it to:
